

LDA Belgium on Indumation

LDA Belgium will be exhibiting at Indumation this year. Visit our stand **511B in hall 5** for a snack or drink, but also to see our products. Would you like to visit the trade fair with us for free? Then register using the link below. See you soon!

What is Indumation?

Indumation is the largest industrial automation trade fair in the Benelux, taking place on **4, 5 & 6 February 2026**. The fair brings together professionals from industry, technology and manufacturing around themes such as automation, digitisation, mechanical engineering and Industry 4.0. Indumation is the place to discover innovations, share knowledge and start new collaborations within a strong professional framework.

Who is Indumation important for?

Indumation is particularly interesting for **CEOs to engineers**, from purchasing to R&D. The trade fair offers relevant insights for anyone who wants to optimise processes and be ready for tomorrow’s industry.

Sectors in which INDUMATION visitors are active:

- Engineering & automation / integrators
- Mechanical engineering — High Tech
- Electrical installations High/Low voltage
- Systems & Mechatronics
- Food & Beverages
- Packaging industry
- Automotive
- Agro-industry / Agriculture / Mining
- Production and distribution of building materials
- Energie, water, nucleaire productie, opslag
- Logistics, Storage, Handling and Transport of goods
- Petroleum industry / Chemical industry

What is there to do at Indumation?

At Indumation, you will discover the latest technologies and solutions in the field of industrial automation. Visitors can attend **live demonstrations**, talk directly to experts and compare specific applications. There will also be inspiring **presentations and networking opportunities** focusing on current challenges within the industry. Visit the Indumation website for more information.

Go Free to Indumation with LDA Belgium

Good news! You can visit Indumation **free of charge** thanks to LDA Belgium. Register by using our **code: IND211** or [clicking here](#). What does this code give you? Free admission for all days of the fair, including all expert classes and events taking place at the fair. Free Wi-Fi is available, as well as food and drink areas. The fair is wheelchair accessible!

Practical information

Parking: Visit the Kortrijk Xpo website for more information

Parking ticket: €9.00/24 hours (car parks P2 >P7)

Kortrijk Xpo manages the P2 to P7 car parks, located near the Xpo South and Xpo North entrances, in collaboration with Kinopolis. You do not need to take a ticket when entering the car parks. When leaving, you can simply pay with your debit or credit card at the barrier.

Please note: paid parking applies on the streets around Kortrijk Xpo even on Sundays and public holidays. The rate for this is even higher than in the Kortrijk Xpo car parks. Recommended car parks are P2, P6 and P7.

For electric vehicles: Charging stations for electric cars are available in car park 4, car park 6 at Xpo North and at the Meeting Centre entrance, and in car park 3 at the Xpo South entrance. There is a Tesla fast-charging station at the exit, which is also available for all electric cars.
